Re N.E.¼ 18-63-1-W.4th M.

The Province of Alberta in August 1915 requested reservation for a road along the entire shore of Cold Lake of which the above mentioned land forms a part and has at various times since 1916 been requested to file the plan of the road within 30 days or otherwise certain patents which were being withheld would be issued without reservation for the road.

In January 1916, a protest was entered by a settler against the opening of such a road and it was referred to the Department of Public Works at Edmonton.

As the plan of the road has not yet been filed after the lapse of ten years, I would recommend that the issue of the patent for the above mentioned land be proceeded with without reference to the road.

I may add that similar action was taken in connection with the N.W.¼ 20-63-1-W.4th M. *see Memo of 14th Jany 1921 on file 2849471*

M. ... 3 -[illegible]-3- ..4th M., Pre-emption.

I beg to remind you that your entries for the above land are liable to cancellation for failure on your part to make application for patent for your homestead within five years of the date of entry. From a Homestead Inspector's report on file it would appear that your settlement duties have all been performed on your pre-emption quarter-section and under the circumstances it would appear that your best course would be to apply for an interchange of entries and then make application for patent for your new homestead. I may also point out that in case you have completed sufficient duties and are not in a position to make payment in full of the purchase price of your pre-emption, you might apply for patent for this quarter-section before completing the payments. The application for patent, if satisfactory, might be held on file until the payments were completed and you might secure a certificate of indemnification which would enable you to mortgage or assign your interest in the pre-emption in order to secure money to complete the payments.

You will be allowed a period of thirty days from this date within which to satisfy the Agent of Dominion Lands at Lethbridge as to your intentions in regard to these entries and should he not be heard from within that time the Agent will institute proceedings without further delay.

Re - SE¼-30-20-2-W.4th-Mer.

Please see communications immediately hereunder, from Messrs. Ballachey, Burnet & Spankie, and the Seed Grain & Relief Branch of the Department of Agriculture, Edmonton.

The registration of $75.00 appearing against title to the SE¼-30-20-2-W.4th, in the name of Ole H. Johnson, is evidently a wrongful registration of a lien for $75.10 given by Ole H. Johnson, in favour of the Department on March 10th, 1920, to cover an advance of relief made to him on the security of the NE¼-30-20-2-W.4th.

You will see from a copy of the lien attached to file #2[illegible] herewith, that the land description was erroneously quoted as the SE¼-30-20-2-W.4th., which evidently accounts for the registration of the lien against title to the SE¼-30-20-2-4. The files are, therefore, forwarded to your Branch for further action.

Agency files No. 126114 - 101090.

I am to acknowledge your letter of the 2nd instant, enclosing report of Homestead Inspector Bowyer, together with a declaration of abandonment executed by Ole N. Johnson before the Homestead Inspector in reference to his homestead entry for the North East quarter of Section ..., Township 30, Range 2, West of the 4th Meridian.

I would call your attention to the fact that these entries were interchanged on the authority of Head Office letter of the 9th August, 1924, on the strength of Mr. Johnson's letter of the 11th July of that year (copy attached) from which it was understood that it was his intention, on the interchange being carried out, to abandon his pre-emption entry. The fact that Mr. Johnson is still in residence on his homestead would tend to confirm this impression.

In any case, whatever Mr. Johnson's intention may be, the Department would scarcely be justified in accepting a declaration of abandonment of the entry for the homestead which would involve the pre-emption automatically so long as he remains in actual occupation of the land, and I am therefore to request you to be good enough to write him and ascertain his intentions definitely, pointing out the understanding of the Department with regard to his original intention as expressed in his letter above referred to. If he desires to abandon his pre-emption, he should be furnished with the necessary blank form of declaration of abandonment Encl. for that purpose.

Please note the case and follow up as may be required in view of the cancellation proceedings now outstanding, and report the result of your action to the Department as soon as possible.

Re: N.E. 30-20-2 W4th Ler. Homestead.
N.W. 30-20-2 W4th Ler. Pre-emption.

On the 25th October you executed a Declaration of Abandonment before Homestead Inspector Bowser abandoning the North East quarter of Section 30, Township 20, Range 2, west of the 4th Meridian, your homestead entry.

I am to point out that your homestead and pre-emption entries were interchanged in 1924 on the strength of your letter of the 11th July of that year, from which it was understood that it was your intention on the interchange being carried out to abandon your pre-emption entry. The fact that you are still in residence on your homestead would tend to confirm this impression.

The Department, therefore, feels that it would scarcely be justified in accepting a Declaration of Abandonment of your entry for the homestead, (it would involve the pre-emption automatically) so long as you remain in actual occupation of the land, and I am to request you to advise me definitely what your intentions are in this matter.

If it is your desire to abandon your pre-emption entry, the North West quarter of Section 30, Township 20, Range 2, west of the 4th Meridian will you be good enough to execute a Declaration of Abandonment on the enclosed form before some person authorized to administer oaths.

Sir:

S.E. ¼ 30-20-2 4th Meridian.

I beg to refer you to the last paragraph of my letter of the 13th ultimo which reads as follows:

> "With regard to your homestead quarter section for the S.E. ¼ 30-20-2 W 4th Meridian against which cancellation proceedings were pending for failure to apply for patent within five years from date of entry I am to request you to kindly advise the agent of Dominion Lands at Lethbridge within the next thirty days as to what your intentions are with regard to making application for patent.

As your failure to do so constitutes may be an oversight on your part it has been decided to grant you a period of thirty days from this date within which to file application. In the event that I shall not be hearing from you in the time allowed it may be found necessary to take final action and the homestead cancellation recommended.

Your obedient servant,

Secretary.

Dear Sirs:

Re: N.½ 30-20-2- .4th M.
Your Ref. - Misc. 4jr.
Ole. H. Johnson.

In reply to your letter of the 16th of January I may say that this man entered for the N.E.¼ of 30-20-2- .4th M. as a homestead, the 3rd of July, 1917, and gave his age as 43 years and stated that he was born in Norway.

The N.W.¼ of the same section was entered for as a pre-emption. The entries were interchanged in August, 1924, so that the N.E. became the homestead.

Entry for the N.W.¼ was cancelled the 10th of October, 1917, and the file for the N.W.¼ was forwarded to the Province of Alberta. It is not known whether patent was issued for the latter quarter-section but this information could be obtained from the Land Agent of Lands and Mines, Edmonton.

By a copy of this letter I am asking the Under-Secretary of State, Ottawa, whether or not record of Ole H. Johnson of [illegible], Alberta, a former citizen of Norway, has obtained certificate of naturalization.

Re: Account of Ole H. Johnson
N.½ 30-20-2-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920 and 1922 seed grain amounting to $288.80 was advanced to Ole H. Johnson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 288.80	$ 670.82	$ 959.62

The N.½ & N.E. 30-20-2-W4 were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 20th of October 1927, and the land is still unalienated Crown Land held in the right of the Province.

The land is described as sandy and is only suitable for grazing purposes.

This half section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is being used for grazing purposes only. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

Dear Sir:

Your letter of August 11th has been received in this office, and in reply I may say that the above mentioned land appears to be Mr. Fontaine's second homestead. However, in his sworn statement dated the 18th September, 1916, furnished in support of his application for patent for the N.E.¼ of 12-58-14-W4, his first homestead, George Fontaine gave his age as 39 years. He also furnished a certificate of naturalization dated the 16th April, 1917, which document was returned to him on the 18th June of the same year.

Yours very truly,

The Deputy of Minister has transmitted to me your letter on behalf of Mr. L. A. George, and for reply to state as follows.

In this connection I beg to say that instructions are being issued by the Surveyor General for the survey of the settlement at this point, and upon the returns of survey being received, the settlers' claims will be considered.

LAND PATENTS BRANCH,

Ottawa. 3rd October, 1914.

Memorandum:-

I beg to return your Ref. No. 13948, respecting the claims of Alexander Kennedy and H. A. George, both of Peace River Crossing, for free grants of land on account of residence in Alberta, and to report as follows:-

ALEXANDER KENNEDY.

Mr. Kennedy was allowed to make entry for the N...½ of Section 31, Township 83, Range 21, West of the 5th Meridian, in satisfaction of his claim as a squatter before survey, he having commenced residence thereon in March, 1912. He abandoned this land in favour of The Edmonton Dunvegan and Hudson's Bay Railway Company (for townsite purposes) and was given permission to make another entry.

In reference to his claim for a free grant, he was in 1912 advised to file evidence in the form of a statutory declaration corroborated by the evidence of two disinterested witnesses to the effect that he was in occupation of the land he claims at the date of the conclusion of Indian Treaty No. 8, in the Summer of 1899. Such evidence has not been filed and until it is no steps can be taken by the Department in reference to Mr. Kennedy's application for a free grant. Respecting his claim for Lot 19 St. Peters, I beg to state that Mr. Kennedy's claim to this lot as well as the claims to all other lots in the St.Peters Reserve, was investigated by Commissioners McColl and Whitcher in 1885, and Mr. Kennedy's claim could not be entertained as he was a member

Jory, Esq., C.M.G.

of the St. Peters Band of Indians, and consequently he had no individual claim to the lot in question.

The claims to the lots in this Reserve were also investigated by Mr. Chief Justice Howell who had been furnished with the reports of the former Commissioners, but no mention is made of Mr. Kennedy's claim by the Chief Justice, and when the Indian allotments were made in 1908 a treaty Indian named John James Flett was in possession of the lot in question, and under the terms of the surrender he received a patent therefor.

Mr. Kennedy was advised in reference to his claim in March,, 1910, and December, 1909; and in November, 1900, Messrs. Heap and Heap, Barristers, of Selkirk, who had applied on behalf of Mr. Kennedy, were also advised.

H. A. GEORGE.
Claim for free grant at Lake Wabiskaw.

This settlement was surveyed last year but the plan has not as yet been received from the Surveys Branch. It is expected shortly and will be submitted for your consideration with a report respecting the claims for lands at this point of which the Department has received notice, and of which the claim of Mr. George is one, evidence havinggbeen filed on his behalf by Messrs. Griesbach and O'Connor, of Edmonton, in 1913.

Respectfully submitted,

Controller.

[illegible] Ottawa, 18th September, 1914.

Re Lot 12
Watiskaw Settlement.
4.04 acres.

The survey of this settlement was made in 1913 to meet the requirements of the squatters at this point.

On the 14th August, 1913, Mr. S.J. [illegible], D.L.S., took a statutory declaration from Raymond Farr concerning his claim to Lot 12, and the statements therein are as follows:

"Claimant Raymond Farr
"Married Three children
"Last previous homestead [illegible] S.W. 9-50-22-4.
"Entry about June, 1910.
"Lived there about two years
"Sold it for $1,000.00
"I stayed on it and received title by [illegible] it.
"This lot 12 Watiskaw Settlement.
"I purchased it about January, 1913.
"I never lived on it
"No residence performed
"About one acre in crop and cropped
[illegible] log stable, 14x16, Value $[illegible].00
[illegible] stable, 12x14, Value $5.00
"Fencing Value $[illegible].00
"Three quarters of a mile.

On the 20th June, 1914, the Homestead Inspector, Mr. Arthur Irwin, reported on this claim as follows:

W. W. Cory, Esq., C.M.G.,
Deputy Minister.

"Claim[illegible]

"Claimant R. Varin
"Not in residence
"No residence performed
"Log house 24x20 Value $100.00
"Leanto 16x15
"Stable (log) 16x14 Value $20.00
"Warehouse 8x12 Value $8.00
"1/10 mile fencing 5 rails Value $10.00.
"1/2 acre cropped Value $20.00.
"General Remarks:
" Mr. Varin bought this piece
"of land in 1913 from Alex Sutherland who
"had occupied it three years.

It is apparent from the above reports that the only claim Mr. Varin has to the lot is the fact of the purchase of it by him from Mr. Sutherland, we must presume that the buildings referred to were erected by Mr. Sutherland.

I would recommend the sale of the Lot to Mr. Varin at a valuation to be placed thereon by an Inspector.

Respectfully submitted,

Controller.

Sir:

S.E. 27--55--15--. 4th M.

Referring to your declaration of the 5th instant, setting out the duties you performed on the above land, and requesting to have your entry restored.

In reply I am to advise you that cancellation proceedings were instituted against this entry in March, 1924, for failure on your part to apply for patent within five years of the date of entry. No defence was received from you, and a Homestead Inspector reported in June of that year that you had not been on the land for about two years.

Under these circumstances your entry was cancelled, and the land was posted for settlement. The Department is not aware whether the quarter-section is at present available, and the Agent at Edmonton is being requested, by a copy of this letter, to report on this point.

In the meantime you are requested to advise the Department, definitely, as to what you will undertake to do towards completing your duties, provided it is decided to restore your entry. You will understand that this is not to be taken as any assurance that your application can be favourably considered.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921. (P.C. 1121).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $21[illegible].
Purpose:- Not stated.

He has applied for patent claiming duties as shown on forms No. 54A, hereunder marked. Apparently his duties have been completed in a satisfactory manner and the applications have been accepted but in view of the above mentioned loan, he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 14th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issue in favour of the Board and it is [illegible] in this memorandum that this would enable the Board to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

THE HONOURABLE CHARLES STEWART,

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: D.P.Colwill, No.90486,
S.E.¼ 21-29-10-W.4th - S.G.
N.E.¼ 21-29-10-W.4th - Hd.

The above named settler secured advances from the Board totalling $2,515, the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Colwill requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Colwill states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler dated the 21st instant.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1241), which enables the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 21-29-10-W.4th be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

AND WHEREAS D.P. Colwill is a settler within the meaning of the Soldier Settlement Act who holds the E.½ of 21-39-10-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

[illegible]

RECEIVED SENT TO COUNCIL
DEPUTY MINISTER

. .S. [illegible] 1917.

[illegible], 15th June, 1917.

[illegible]

[illegible] September, 1914, authority was given under the provisions of the War Measures Act, 1914, to apply the provisions of Orders 10 and 11 of the British Orders-in-Council, as amended from time to time, to all persons subject to any command given by any officer of the forces of His Most British Majesty, or in the event of his death to his legal representative.

Representations have been made to the Department that Lieutenant Llewellyn Hilton Roberts, formerly of [illegible], Alberta, was served with the forces of His Most Britain and for official purposes he is assumed to have died on active service on or about the 1st day of August, 1916, as set forth in the attached copy of a communication from the War Office, London, England, dated the 21st April, 1917, addressed to Mrs. A. F. Roberts, the wife of the said person.

The said Llewellyn Hilton Roberts on the 2nd day of November, 1914, obtained homestead entry in good faith for the South East quarter of section 34 in township [illegible], range 7, West of the 4th Meridian, but such was cancelled on the 1st day of May, 1916, as it appeared at the time that the person might have a better right to the land aforementioned.

The said Llewellyn Hilton Roberts by reason of his homestead entry being cancelled as aforesaid while on military service abroad, through no fault of his, was deprived from perfecting any rights from his service in connection with homestead duties.

The said person has now withdrawn all his claim to the said land, and the same is now vacant for entry.

The Commissioner, therefore, has the honor to recommend that the cancelled entry of the said Llewellyn Hilton Roberts for the said described be restored, and that the estate be given the benefit, in connection with the said person, of the provisions of the Orders-in-Council of the 18th [illegible], 1914, and the 9th February, 1915, aforesaid.

Respectfully submitted,

Minister of the Interior.

The Committee of the Privy Council have before them a Report dated 15th June, 1917, from the Minister of the Interior, stating as follows;-

By Orders in Council of the 8th May, 1915, and 20th September, 1915, authority was given under the provisions of the War Measures Act, 1914, to apply the provisions of clauses 22 and 37 of the Dominion Lands Act to any homesteader who was served with any of the forces of Great Britain, or in the event of his death to his legal representative.

Representations have been made to the Department that Lieutenant Llewellyn Milton Roberts, formerly of Calgary, Alberta, has served with the forces of Great Britain and for official purposes he is assumed to have died on active service on or about the 14th day of August, 1915, as set forth in the attached copy of a communication from the War Office, London, England, dated the 21st April, 1917, addressed to Mrs. M. H. Roberts, the wife of the said man.

The said Llewellyn Milton Roberts on the 2nd day of November, 1912, entered homestead entry in good faith for the South East quarter of section 25 in township 24, range 7, West of the 4th Meridian, but such was cancelled on the 11th day of May, 1915, as it appeared at the time that one Warren Pitman had a better right to the land aforementioned.

The said Llewellyn Milton Roberts by reason of his homestead entry being cancelled as aforesaid was on

military service, was, through no fault of his, deprived from deriving any benefits from such service in connection with Dominion Lands.

The said Warren Pitman has now withdrawn all his claim to the said land, and the same is now vacant and available.

The Minister, therefore, recommends that the homestead entry of the said Llewellyn Hilton Roberts for the land described be restored, and that his estate be given the benefit, in connection with the said land, of the provisions of the Orders-in-Council of the 7th May, 1918, and the 20th September, 1918, aforesaid.

The Committee concur in the foregoing and submit the same for approval.

File No. 4-644.

Memorandum: Ottawa -

Request for Title under Order in Council of the 4th June, 1921, where duties [illegible] by Soldier Settler.

Re: George Garden,
N.E.¼ 3-60-22 W.4th M. (H.E.)
N.W.¼ 2-60-22 W.4th M. (S.G.)

The above-described land is the unpatented homestead and soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 14th June, 1919, the settler secured advances from the Board totalling $2971.03, as follows: stock and equipment, $1965.03; permanent improvements, $539.40; special advances, $40.00. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letters from the Secretary of the Department of the Interior to the settler, dated the 31st October, 1927.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1111, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Soldier land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he [illegible] desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances noted, and in order that in a position to negotiate a sale should he [illegible] date.

Under the provisions of the regulations referred to, [illegible] the right, title and interest of the settler in the N.E.¼ [illegible] W. 4th M. and the N.W.¼ [illegible] W. 4th M. to the Soldier Settlement Board.

The Board has a signed receipt from the last [illegible] all of the advances noted in the Land Register hereof made to the settler subsequent to the date of entry for the homestead and soldier grant.

A Vesting Order for execution is enclosed herewith.

W. W. Cory, K.C., C.M.G.
Deputy Minister of the Interior.

TO ALL TO WHOM IT MAY COME OR IN:

WHEREAS George Garden, a "settler" within the meaning of the Soldier Settlement Act,1919, who holds under entry two parcels of Dominion lands, namely, the N.E.¼ 5-60-22 W.4th M. and the N.W.¼ 2-60-22 W.4th M., on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said George Garden, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June,A.D.1921;

NOW KNOW that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June,1921,P.C.1041, declares the right,title and interest of His Majesty in the said land, except mines and minerals, whether solid,liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

Re: Account of Martin Danielson
S.½ 36-30-4-4

The matter of an application for an adjustment of [illegible] outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having carried out an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $[illegible] were advanced to Martin Danielson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 249.50	$ 413.40	$ 663.[illegible]

Patent was issued in the name of Martin Danielson for the S.½ 36-30-4-4 on the 24th of June 1915, subject to the liens. The N.½ 36-30-4-4 was formerly the pre-emption entry of the latter whose entry was cancelled on the 20th of April 1926, and the land is still unalienated Crown Land held in the right of the Province.

In 1921 the S.½ 36-30-4-4 became subject to forfeiture proceedings for non-payment of arrears of taxes and title was acquired by the Municipal District of Golden Centre No. 272.

The land is described as hilly, rocky and gravelly, [illegible]ble for agricultural purposes and only fit for grazing.

This half section is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer affords any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

C.[illegible] Secretary.

Ottawa, 17th April, 1923.

Re Account of Martin Pavielson
Sec. 36-30-4-4

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

That the indebtedness, which is more particularly described in the attached report, be cancelled without the payment of any payment and the claim discharged.

A.M. Medlam,
Assistant Director.

In the year 1914-15 Wm. Holmes encumbered the land above described with Seed Grain, Fodder and Relief liens amounting to $199.40.

The only improvements left on this land were valued at $20. 0 by Homestead Inspector Fleming. Mr. Holmes entries for these lands have been cancelled but same are being reserved from disposition in accordance with instructions issued.

It would appear, therefore, that a special effort should be made to have any possible clue followed up in an endeavour to locate Mr. Holmes and obtain settlement.

Re: Account of [illegible]. Holmes
[illegible] 27-4-6-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $199.40 were advanced to [illegible]. Holmes on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 199.40	$ 363.88	$ 563.28

The SW¼ and NE¼ 27-24-6-24 were formerly the homestead and pre-emption entries of the debtor whose entries were cancelled on the 6th of October 1921 and are still Crown Lands held in the right of the Province.

In reply to our questionaire of the 15th of May 195-, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land and is occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information attached indicates that the land is unsuitable for farming purposes and no longer offers any security for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

C.H. Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dear Sir:

Re: N.W. 18-32-3-W4

This Department has an old account against the above noted land for advances of seed grain to Arthur F. Stewart in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Re: Account of Arthur F. Stewart
N.W. 19-3-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $137.50 was advanced to Arthur F. Stewart on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 137.50	$ 307.79	$ 445.29

The N.W. 19-3-3-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1920. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 15th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for the advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Dear Sir;-

In answer to your letter 10th inst. file 2[illegible]6831
2[illegible]880.

I have been prevented by illness to land held last
Section 28, Township 24, Range 1 west of the 4th. to be in
residence this date as required and through no fault ~~xxxxxx~~.
that could be different.
At present Mrs. Whitlock is under care of Doctor,
is ill and unable to travel. Further owing to the scarcity of
skilled and qualified telegraphers the Railway Company have
been unable to relieve me here. I applied for relief weeks ago
so that would be on hand at proper time, having arranged so
would commence hauling material for buildings from Qyen last
week. In view of present conditions I wired Mr. D. A. Bennett
Yorkton 12th asking if provision could be made for protection
as I work as telegrapher. Mr. Bennett replied under date of
the 14th. file 3884 that a copy had been forwarded you for
consideration.

Soon as Railway relieve me it is intention to proceed
at once to land in question and relieve within time limit
of law. Am not aware of any actual experience as are required.
Willing worker and grant protection if necessary.

Yours truly,

Dear Sir:

Re: Stewart Ranson - Joint Relief.
S. E. 14-24-4-West 4th Meridian.

The above party obtained the following advance for Joint Relief, giving as security a lien on the above land which was his homestead.

Relief:

Int. to March 31, 1944 ..... 73.14

$189.52

Entry to the above parcel of land was cancelled and title is now under the Special Areas Board, Department of Lands & Mines, being available for lease for grazing purposes only at a rental sum sufficient to pay lease for any recovery on the above account. The latter left this territory and his present whereabouts is unknown.

As there is no security of any value or any possibility of effecting recovery under the personal covenant, I would recommend that the balance of this account be written off.

Re: Account of Edward M. Carson
S.E. 28-24-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1924 seed grain amounting to $50.00 was advanced to Edward M. Carson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 50.00	$ 104.76	$ 154.76

The S.E. 28-24-4-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 1st of April 1924 and it is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 6th of February 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land which is vacant at present. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land is under offer at any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

C. . Gilchrist.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.
